The **Leibniz Institute on Aging - Fritz Lipmann Institute (FLI)** in Jena is a federal and state government-funded research institute and member of the Leibniz Association (Wissenschaftsgemeinschaft Gottfried Wilhelm Leibniz e.V.). FLI's internationally visible and highly competitive research is focused on biomedical causes of aging. Scientists from over 40 countries are investigating the molecular mechanisms of aging and the occurrence of age-related diseases. Our aim is to create a basis for new approaches in medicine as a way to improve health in the elderly (www.leibniz-fli.de).

In the context of a replacement we are looking **at the earliest possible date** for a

Manager Communication (m/f/d)

You will be responsible for the **internal and external communication** of our research institution on the interface of science, politics and the general public.

Your tasks:

- Developing concepts and strategies for internal and external communication and their implementation
